

2010 Contractor Expo

February 9, 2010

8 hours of Continuing education (including 1 Hr Energy)

The Lake Region Builders Association in partnership with Building Products Inc. of South Dakota, 1500 Industrial Ave. No., Sioux Falls, SD 57104, Presents this full day of continuing education and a Table Top Expo for you to learn about what is new on the market.

This educational offering is recognized by the Minnesota Department of Labor and Industry as satisfying 8 hours (1 hour energy) of credits towards the residential building contractor, residential remodeling or residential roofing of continuing education requirements for the re-licensure (no lead). Lead classes are being offered with RRP courses being offered at other dates.

7:30 - 11:30 Metal Roofing isn't what is used to be.

Starting with underlayment, installation of stone coat and Standing seam roofing.

11:30—1:30 Lunch and EXPO

1:30—2:30 Insulating rim joists

Show how to insulate rims more efficiently with foam.

Obtaining vapor and fire retardant ratings.

Reducing air infiltration

2:30—5:30 Making the Connection;

Composite and vinyl deck railing systems. Review installation, footings, framing, railing system made easy and making correct connection.
