January 25th Perry Nodsle, Mike Eidenschink, Jason Coley and Sharon attended the Board Meeting held at the Bam Convention at Craguns. Lengthy discussions were held on Green Building, By-law changes, installation of State directors, of which Jason and Mike are, and a lot more. Afterwards a few of the hospitality rooms were visited, in particularly the room for Ferguson Bath, Kitchen and Lighting Gallery. Lo and behold, there was our member, Terry Lipp, thinking he was on the set of the movie "Fargo." Oof Da what a sight in suspenders, Elmer Fudd Hat and other Norwegian (?) attire. The full convention, I'm sure, was a great success and hopefully will be attended by more members next year.

BUILDERS BUZZ

Hello Builders & Associates. I'm Perry Nodsle your new President of the LRBA for 2008. I've been in the construction business most of my life and know a lot of our members but not all of you, so please introduce yourself to me. I would like to get to know all of our members.

The annual Christmas Party was well attended. I had the pleasure of handing out a few awards. The Builder of the Year went to Jason Coley of Don Tietz Construction; the Associate of the Year went to Mike Eidenschink of B & M Electric, and the Volunteer of the Year to Brenda Eidenschink.

Please check the Calendar of events, as the bulk of our activities are happening in the next few months. One event that is coming up on April 26 is the Garage Sale. We need donations of building materials & household goods (no clothes) for the sale. We will be donating 20% of the proceeds to the Boys and Girls Club, as well as, all unsold merchandise. We are looking for a spot to collect things for the sale so if you have some space please contact Sharon or myself.

Our Annual Meeting/Christmas Party was held at the Voyageur Lanes with a good dinner, great entertainment and bowling fun. Other than a bit nippy for temperature I think everyone had a good time. Our new President, Perry Nodsle, Nodsle Construction received the gavel from outgoing President Mike Eidenschink, B & M Electric. Mike has done a great job and Perry will too. Nodsle Construction sponsored the evening's entertainment and appetizers. The outgoing Board members, Gene Hill and Ed Jutz, as well as, Mike Eidenschink and Jason Coley, all received jackets for their participation on the board.
