

We have made an arrangement with Greens Plumbing and Heating for storage unit #11 to store items for the Garage Sale. Just go to the Greens Plumbing office and ask for the key. We have only heard from a couple of people about items to be donated. Don't keep it a secret, let me know. Sharon

WE NEED YOUR HELP! Please let us know how many items you plan to donate for the sale, we are trying to decide if an auction would work better than a garage sale. Please contact Sharon right away! Thanks!

BUILDERS ASSOCIATION GARAGE SALE

Our Garage Sale is still planned for April 26, Saturday, 9 - 2. Patrick at the Boys and Girls Club has it on his schedule. The Boys and Girls Club will receive 20% of our profits. Our profits go for Non-Dues Revenue to help keep our organization running. Any items new and used that are in usable condition (No Junk or Clothes), will be appreciated. You can receive a slip from the Club for your donation. Ladies, household items will be great too. My pile is growing - shelves, lamps books, DVDs etc. I am still looking for volunteers. Please Call me.

Half of all Americans live within 50 miles of what?
A. Their birthplace

Many years ago in England, pub frequenters had a whistle baked into the rim, or handle of their ceramic cups. When they needed a refill, they used the whistle to get some service. "Wet your whistle" is the phrase inspired by this practice.

ODE TO MINNESOTA

Why I Love Minnesota.
It's winter in Minnesota
And the gentle breezes blow,
70 miles per hour at 52 below!
Oh, how I love Minnesota
When the snow's up to your butt.

You take a breath of winter air
And your nose is frozen shut.
Yes, the weather here is wonderful,
I guess I'll hang around.
I could never leave Minnesota,
'Cause I'm frozen to the ground.

BUILDERS BUZZ

Greetings Builders & Associates, Tabletop night on February 12 went very well with a great group of vendors on hand, a few more builders would have been nice. We asked a lot of questions & had some good feedback from those in attendance. We will be using this advice to adjust & improve this event next year. Thanks to Tim Roble for setting up this event.

The Board of Directors voted to raise the Annual dues by \$20.00 to \$420.00 per year. The LRBA will keep \$100.00 of this amount; the raise in dues will help offset the cost of the newly created Legal Action Fund. The LRBA is assessed \$1650.00 by the state association for this fund.

The Annual Home Show is coming March 29 & 30, 2008, as always we will need lots of help to set up & run this show. If you can help please contact Mike Eidschink or Sharon Westerholm to volunteer.

I would like to welcome Paschke Heating and AC, Kelly Fingalson, as a new member and thank those renewing this month.

February 12th marked the return of the annual TABLE TOP night. For a first time in a long time, we decided to do a Table Top night that Builders could come and see the wares of many wholesale and retail companies. It was well attended by over 30 vendors. Every vendor I talked to said they would come back next year as the builders that came were very interested in what they were showing. We are looking at some different ideas for next year, such as incorporating it with the continuing education day, and would really like to see a couple of builders on this project.

The sponsor for the evening was CRANE JOHNSON LUMBER COMPANY OF PERHAM. A VERY Big Thank You to them for being involved in the event and sponsoring. Thanks Greg Neisen and Craig Isakson.
